

JANICE CHEN

GRAFIC DESIGNER

ABOUT ME

My name is Janice Chen. I live in the city of Riobamba, Ecuador. I was born in Los Angeles, California and I am a Taiwanese descent. All of my cultural wealth has allowed me to speak and develop widely with 4 languages with which I have been able to translate simultaneously, thus reaching connections with other brands and facilitating the development of new businesses.

My professional experience is in the field of web design, photography and advertising graphics designing with tools such as illustrator and photoshop as well as branding and management of the design. In my free time I dedicate myself to content for design and entertainment for the Twitch platform.
